The Exile: An Outlander Graphic Novel Written by Diana ...
Written more from Murtagh's point of view, yes it sets up Outlander from Jamie arriving back in Scotland up to heading off to Lallybroch and it is highly condensed at it is a graphic novel (comic format), but I loved the other plot lines that as a reader of the novels and viewer of the series y2k don't see going on such as a new traveller and near miss that even Claire is not aware of.

The Exile: An Outlander Graphic Novel by Diana Gabaldon ...

The Exile is a fine addition to any Outlander fan's collection, but as a graphic novel, it's a disappointment. A rewrite of Gabaldon's bestselling time-travel romance from the point of view of her 18th-century Scottish hero, the graphic novel suffers under the weight of dialogue intended for a much longer book.
