Reno's a tough Enforcer for Lycan Link who finds himself drawn to Brandi but duty rules his life. Brandi, just on the edge of starting her career as a Disaster Control officer, falls for Reno at first sight, but are they really meant to be? Is it love or lust and does it really even matter? Enforcers and DCs don't get along...unless fate forces them to.

She discovered a dark secret, witnessed a murder and fled fearing for her life. Three years later, Cassie is hiding from her past, haunted by a dream lover and fighting to control a terrifying beast that seems to grow stronger each day. When Bryan, pack Beta, appears to claim her, Cassie is forced to face the truth of her existence. Innocence, betrayal, greed and love collide in *The Finding*. Third book in *The Law of the Lycans* series by Nicky Charles.

A rogue, Damien's kicked about the country for years. When an old friend asks for his help, he agrees and heads to Chicago. Strong and independent, Sam was raised to be an Alpha. Duty rules her every move. When her territory is threatened, she finds herself looking for help. With the pack's future at stake, does she dare gamble on a rogue?

After surviving the leadership challenge, being Alpha should be easy, right? But Kane's illusions are shattered as the demands on him escalate. His half-brother has gone rogue, an old flame is becoming clingy, the pack's water supply is contaminated and now...the Council of Elders are proposing a political mating! What's an Alpha to do?

His mate killed in an explosion, Damien now lives as a rogue werewolf. Grief stricken and filled with rage, what depths will he sink to in his search for revenge? And who will be caught in the crossfire? Will it be Eve, a Fae just entering the Awakening stage? Or Rafe McRae, part empath and part wolf? A suspense driven story of love, betrayal and revenge

Geeky loner Connor Lewis arrives in Paris on a scholarship for his last year of high school. It seems everyone he meets in the city has secrets – the military brats who befriend him on the first day of class, the young tattoo artist and her menacing dog who make up his host family, and an enigmatic redhead who shows up in unexpected places. One night, things take a turn for the supernatural, forcing Connor to stop running and confront his own dark secret. "A superb series from start to finish that, like the best musical mashups, takes something old (werewolf mythology) and makes something completely fresh out of its source material." – Charles de Lint, Fantasy & Science Fiction Magazine

Elise had no idea when she came home that day that she'd end up mated to a complete stranger. A new Alpha and the need for an alliance between packs have made her a pawn Excerpt: She lay beside him, staring blankly at the ceiling. The deed was done. They were mated. It didn't matter that she had no love for him nor he for her. Political alliances were more important than feelings...

WHO IS REALLY THE MONSTER? Nineteen year old Callan Sanclaire has cared for his mother, and helped her cope with her illness, ever since his father was killed seven years ago. Except she does not have any ordinary illness... but a curse which turns her into a werewolf at the night of the full moon. Since discovering her curse, Callan always feared a visit from the mysterious company called Lycorp, a group of werewolf hunters who are determined to keep the world safe from those suffering with the curse. When his mother is taken by Lycorp, Callan must find a way to infiltrate the company from the inside. But first he must endure a gruelling job interview which will test his breaking point. The Wolf Trials might be the death of him.

Tatijana of the Dragonseekers spent centuries encased in ice with her sister, trapped in limbo between life and death, never speaking to a soul other than those who tormented her. Now, she has been freed from her frozen prison by an unknown descendent. Awakened in human form, Tatijana yearns to explore the modern world in which she now lives—a world with more mysteries than she is prepared for. Fenris Dalka has returned to the Carpathian Mountains after a long absence to be with his brother. He is scarred by centuries of battle, and every hard-won victory. But the real reason for his return home could prove deadly if discovered by the wrong man-or woman. Upon his arrival, he is compelled by a beautiful and enigmatic stranger who carries the scent of fresh earth, of forest, of the night itself. In time Tatijana and Fenris will discover all that unites them—their secrets and pasts, their predators, and the hot flush of passion that stirs their souls. Yet just as surely, seduced into the silvery darkness of a full-moon night, they'll also discover everything ancient and evil that exists to destroy them.
