Eddie Mannix, Joseph Edgar Allen John " Eddie " Mannix (February 25, 1891 ¶ August 30, 1963) was an American film studio executive and producer. He is remembered for his work protecting Hollywood stars as a " fixer ", a person paid to disguise details of the stars' often colorful private lives to maintain their public image. Among his most lasting contributions to Hollywood was a ledger he maintained that lists the costs and revenues of every MGM film produced between 1924 and 1962, an ...

**The Fixers: Eddie Mannix, Howard Strickling and the MGM --**

Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little-remembered even there, but as General Manager and Head of Publicity for Metro-Goldwyn-Mayer Studios, they lorded over all the stars in Hollywood's golden age from the 1920s through the 1940s—including legends like Garbo, Dietrich, Gable and Garland. When MGM stars found themselves in trouble, it was Eddie and Howard who took care of them--solved their problems, hid their crimes, and kept their secrets. They were "the Fixers." At a time when image meant everything and the stars were worth millions to the studios that owned them, Mannix and Strickling were the most important men at MGM. Through a complex web of contacts in every arena, from reporters and doctors to corrupt police and district attorneys, they covered up some of the most notorious crimes and scandals in Hollywood history, keeping stars out of jail and, more importantly, their names out of the papers. They handled problems as diverse as the murder of Paul Bern (husband of MGM's biggest star, Jean Harlow), the studio-directed drug addictions of Judy Garland, the murder of Ted Healy (creator of 'The Three Stooges') at the hands of Wallace Beery, and arranging for an unmarried Loretta Young to adopt her own child—a child fathered by a married Clark Gable. Through exhaustive research and interviews with contemporaries, this is the never-before-told story of Eddie Mannix and Howard Strickling. The dual biography describes how a mob-related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world.

In Hollywood history, no other lawyer has achieved the movie star-like fame and glamour that Greg Bautzer enjoyed. This revealing biography tells, for the first time, the amazing story of a self-made man who for 50 years used his irresistible charm and prodigious legal talent to dominate the courtrooms, boardrooms, and bedrooms of Hollywood. Columnists of the 1930s through 1950s dubbed him "[Hollywood Bachelor Number One,] and for good reason. His long-term relationships and momentary conquests were a who's who of leading ladies. Through exclusive interviews with those who knew him best, the book uncovers the inner workings of not only Bautzer the high-powered Hollywood lawyer/whose clients included billionaire Howard Hughes,but Bautzer the man.

The shocking, definitive account of the lawyers and media tycoons who enabled the rise of Donald Trump, featuring new revelations from a Pulitzer Prize-winning Wall Street Journal man With his blunt-force fame and the myths he's propagated about himself, Donald Trump has always moved in a world of gossip barons, crooked lawyers, and porn stars. But when he became the Republican nominee for the presidency in 2016, all of these characters crawled out from the underbelly of Trump's stardom and stumbled onto the global stage with him. In The Fixers, Joe Palazzolo and Michael Rothfeld have produced a deeply reported and exquisitely drawn portrait of that world, full of secret phone calls, hidden texts, and desperate deals, unearthing the practice of [catch and kill] by which Trump surrogates paid hush money to cover up his affairs, and detailing Trump's historic relationship with his fixers/from his early, influential relationship with Roy Cohn to his reliance on Michael Cohen, National Enquirer publisher David Pecker, and former New York mayor Rudy Giuliani. It traces the arc of their interactions from the 1970s through the 2016 campaign and beyond. It is a distinctly American saga that navigates the worlds of reality TV, cash-for-trash tabloids, single-shingle law shops, celebrity bashes, high-end real estate, pornography, and politics. The characters and settings of this book are part of a vulgar circus that erases/osses the country, from New York to L.A. to D.C. Terrifying, darkly comic, and compulsively readable, The Fixers is an epic political adventure in which greed, corruption, lust, and ambition collide, and that leads, ultimately, to the White House. Advance praise for The Fixers :Of the dozens of books chronicling Donald Trump's presidency, The Fixers is destined to sit atop the pile. It has everything you look for in a political page-turner. Colorful characters, intrigue, sex, corruption and/unlike much of the Trump canon/metaculous, factual reporting by two ace reporters. What a read!!!John Carreyrou, New York Times bestselling author of Bad Blood

As the 100 Years War ground to its dismal end, England groaned under the misrule of Henry VI and his Lancastrian favorites. The House of York rose in rebellion; and Parliament restored York in the line of inheritance to the throne. Edward, Earl of March, triumphed at the Battle of Mortimer's Cross; Parliament asked him to be King and the people proclaimed him Edward IV. His life and legacy are chronicled in Edward IV, England's Forgotten Warrior King. For ten years, Edward struggled against repeated Lancastrian rebellions. He was driven from his kingdom by Richard, Earl of Warwick, but then he won decisive victories at the Battles of Barnet and Tewkesbury in 1471. For another twelve years, he reigned wisely with peace and prosperity, as a beloved King; but then he died at age forty one and his twelve-year-old son was proclaimed Edward V. Richard, Duke of Gloucester, seized the throne and put young Edward and his brother in the Tower of London, from where they never emerged alive. Richard III was a good King and wanted to be respected, but the people believed he had murdered the Princes in the Tower, and would not forgive him. Queen Elizabeth and Margaret Beaufort plotted with Henry Tudor, who invaded England in 1485. Henry Tudor then defeated and killed Richard III at the Battle of Bosworth Field. Henry Tudor (Henry VII) was crowned King and married Edward IV's daughter Elizabeth; the resultant Tudor dynasty would rule England for another 118 years.

**The Fixers: Eddie Mannix, Howard Strickling and the MGM --**

From their home base in Minnesota, the Karpis-Barker Gang cut a swath of crime and terror across the Midwest in the early 1930s. They kidnapped two important businessmen and held them for exorbitant ransoms. They stole payrolls and robbed banks as the bullets flew. Corrupt police and wily crime bosses helped Alvin Karpis and the Barker brothers Freddie and Doc every step of the way. Who were these men and women? What made them into killers and kidnapers? How did their reckless lifestyles lead to their downfall? From Ma Barker to Volney Davis to Edna Murray the Kissing Bandit, authors Deborah Frethem and Cynthia Schreiner Smith delve into the crimes, personalities and motivations of one of the most successful and infamous gangs in American history.

Ephemeral Media explores the practices, strategies and textual forms helping producers negotiate a fast-paced mediascape. Examining dynamics of brevity and evanescence in the television and new media environment, this book provides a new perspective on the transitory, and transitional, nature of screen culture in the early twenty-first century.

Chicago TV Horror Movie Shows is the first comprehensive look at Chicago's horror movie programs, from their inception in 1957 to the present.

¶ The tragic death of 13-year-old Danny Croteau in 1972 faded from headlines and memories for 20 years until the Boston abuse scandal;a string of assaults within the Catholic Church/exploded in the early 2000s. Despite numerous indications, including 40 claims of sexual misconduct with minors, pointing to him as Croteau's killer, the Reverend Richard R. Lavigne remains [innocent.¶ Drawing on more than 10,000 pages of police and court records and interviews with Danny's friends and family, fellow abuse victims, and church officials, the author uncovers the truth/church complicity in a cover up and the masking of priests' involvement in a ring of abusive clergy/behind Croteau's death and those who had a hand in it.
