Lauren Willig's Pink Carnation novels have been called "fun [and] fresh" (Kirkus Reviews) and "clever and playful " (Detroit Free Press). Now she introduces readers to a mismatched pair who find passion in the most astonishing of places... Secret agent Augustus Whittlesby has spent a decade undercover in France, posing as an insufferably bad poet. The French surveillance officers can ' t bear to read his work closely enough to recognize the information drowned in a sea of verbiage. New York-born Emma Morris Delagardie is a thorn in Augustus ' s side. An old school friend of Napoleon ' s stepdaughter, she came to France with her uncle, eloped with a Frenchman, and has been rattling around the salons of Paris ever since. Now widowed, she entertains herself by holding a weekly salon, and loudly critiquing Augustus ' s poetry. As Napoleon pursues his plans for the invasion of England, Whittlesby hears of a top-secret device to be demonstrated at a house party. The catch? The only way in is with Emma, who has been asked to write a masque for the weekend ' s entertainment. In this complicated masque within a masque, nothing goes quite as scripted—especially Augustus ' s unexpected feelings for Emma.

At first the job is as lively as Latin, but Laura begins to notice Jaouen's increasingly strange behavior. As Laura edges closer to her employer, she is surprised to learn that she has much in common with him. And Jaouen finds he's hired more than he's bargained for...

In the final Pink Carnation novel from the New York Times bestselling author of *The Mark of the Midnight Manzanilla*, Napoleon has occupied Lisbon, and Jane Woolston, aka the Pink Carnation, teams up with a rogue agent to protect the escaped Queen of Portugal. Portugal, December 1807. Jack Reid, the British agent known as the Moonflower (formerly the French agent known as the Moonflower), has been stationed in Portugal and is awaiting his new contact. He does not expect to be paired with a woman—especially not the legendary Pink Carnation. All of Portugal believes that the royal family departed for Brazil just before the French troops marched into Lisbon. Only the English government knows that mad seventy-three-year-old Queen Maria was spirited away by a group of loyalists determined to rally a resistance. But as the French garrison scours the countryside, it's only a matter of time before she's found and taken. It's up to Jane to find her first and ensure her safety. But she has no knowledge of Portugal or the language. Though she is loath to admit it, she needs the Moonflower. Operating alone has taught her to respect her own limitations. But she knows better than to show weakness around the Moonflower—an agent with a reputation for brilliance, a tendency toward insubordination, and a history of going rogue. READERS GUIDE INCLUDED
