

Adventure 25 characters. Various Sets. A superlative dramatization, with worlds of excitement. The action stems from the Admiral Benbow Inn, where the old captain is given the death mark by the pirates. Young Jim Hawkins falls heir to the treasure map, and soon sails with his masters to the treasure island. The ship is manned, though they know it not, by a crew comprised mostly of pirates. A mutiny arises, and a fight on the island ensues, with Jim proving his mettle. A trul

A thrilling adventure novel of pirates, sailing ships, treasure maps, and tropical islands. Published in 1883, its characters have become part of our culture. A young boy, Jim Hawkins, discovers a treasure map on a dying pirate at the "Admiral Benbow" inn in England and takes off on a quest to find the prize.

First published in book form in 1883, Treasure Island remains one of the best-loved children's stories of all time. It recounts the thrilling adventures of Jim Hawkins, a young boy who finds a mysterious map in the sea trunk of an old sailor who has died in his parent's inn. The map is of an island, and marked on it is the location of a hoard of money, hidden there by the chief of a notorious band of pirates. The local Doctor and Squire decide to set off to find the island, taking Jim with them as the cabin-boy, but they soon discover that the surviving pirates are also keen to locate the treasure. Among the colorful characters is Long John Silver, who with his missing leg and his talking parrot, has entered into popular folklore. Although written for children, this is a wonderful adventure story that can be enjoyed at any age. The world's greatest works of literature are now available in these beautiful keepsake volumes. Bound in real cloth, and featuring gilt edges and ribbon markers, these beautifully produced books are a wonderful way to build a handsome library of classic literature. These are the essential novels that belong in every home. They'll transport readers to imaginary worlds and provide excitement, entertainment, and enlightenment for years to come. All of these novels feature attractive illustrations and have an unequalled period feel that will grace the library, the bedside table or bureau.

Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of 'buccaneers and buried gold'. First published as a book on 23 May 1883, it was originally serialized in the children's magazine Young Folks between 1881 and 1882 under the title Treasure Island or, the mutiny of the Hispaniola with Stevenson adopting the pseudonym Captain George North. Traditionally considered a coming-of-age story, Treasure Island is a tale noted for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality — as seen in Long John Silver — unusual for children's literature. It is one of the most frequently dramatized of all novels. The influence of Treasure Island on popular perceptions of pirates is enormous, including such elements as treasure maps marked with an 'X', schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders. Since its publication in 1883, Treasure Island has provided an enduring literary model for such eminent writers as Anthony Hope, Graham Greene, and Jorge Luis Borges. As David Daiches wrote: " Robert Louis Stevenson transformed the Victorian boys ' adventure into a classic of its kind. " (Treasure Island by Robert Louis Stevenson)
