Business Strategy Essentials You Always Wanted To Know prepares new managers and leaders with the building blocks of business strategy. You will learn how to define strategy, different levels of strategy for the business versus departments, and how to plan tactics to implement those strategies. You are given tools to assist you with some of the more challenging aspects of strategy such as environmental scanning, SWOT analysis, and strategy analysis. After you have learned how to execute some of these strategies, you will learn what organization structures fit best with specific strategies. These timeless elements of strategy will provide you the fundamentals with a 21st century point of view. Business Strategy Essentials is part of the Management Essentials series that helps working professionals moving into management roles. The series addresses every aspect of business from HR to finance, marketing, and operations. Each book includes fundamentals, important concepts, and well-known principles, as well as practical applications of the subject matter.
