Untold is the second book in the Lynburn Legacy. I don't recall much from the first book, but the beginning of this book summed up the events of the first book very well, however, it's probably best not to dive into this book without reading the first. Kami's link to Jared has been broken.

I reread Unspoken, the first book in Sarah Rees Brennan's Lynburn Legacy series, at the end of July and finally got around to picking this second book up for a reread. Untold takes all of the fun elements of Unspoken and raises the stakes. Kami Glass is still one of my favorite protagonists.
