valued his community, and so forth.

Victorian America – Occidental Dissent

Victorian values dominated American social life for much of the 19th century. The notion of separate spheres of life for men and women was commonplace. The male sphere included wage work and politics, while the female sphere involved childrearing and domestic work. Industrialization and urbanization brought new challenges to Victorian values. Men grew weary of toiling tireless hours and ...

Home - Victorian Society in America

Victorian era gave us many great inventions that we still use today - bicycles, Morse code, ice cream as we know it, and even the telephone. The era of Queen Victoria's reign, though, had some pretty bizarre happenings too. Such as ladies getting stuck in doorways because of their extra big dress skirts and constantly fainting as a result of very tight corsets. Also, the London fog did exist ...

Victorian era, in British history, the period between approximately 1820 and 1914, corresponding roughly but not exactly to the period of Queen Victoria ' s reign (1837 – 1901) and characterized by a class-based society, a growing number of people able to vote, a growing state and economy, and Britain ' s status as the most powerful empire in the world.

Victorian era | History, Society, & Culture | Britannica

Victorian architecture in America is not just one style, but many design styles, each with its own unique array of features. The Victorian era is that time period that matches the reign of England's Queen Victoria from 1837 to 1901. During that period, a distinct form of residential architecture was developed and became popular.

Victorian Style Houses in 19th Century America

Victorian America and the Civil War examines the relationship between American Victorian culture and the Civil War. The author argues that at the heart of American Victorian culture was Romanticism, a secular quest to answer questions previously settled by traditional religion. In examining the biographies of seventy-five Americans who lived in the antebellum and Civil War eras, elements of ...

Victorian America and the Civil War: Amazon.co.uk: Rose ...

Victorian culture, particularly its art and architecture, was often rather conservative in its outlook – perhaps understandably. This was, after all, a society in the grip of more convulsive, complex and disturbing change than had been experienced by any previous culture in human history.
