When Angels Fall is a tight, gorgeous story about angels, sacrifice, love, knowing and finding your soul mate. While this was short story, many of the images will stay with me for a long time to come. The stunning imagery of the final scene was thought-provoking and reassuring.

work, When an Angel Falls, as it offers you another theory on how we all came into existence. Because of the current calamitous state of the world that suffers from an obvious racial divide and a drastic decline in moral fortitude, there is a clear distinction between good and evil. From the Kremlin in Russia that undermined the democracy of the Western world, to the ISIS demonic plague that is wreaking havoc in Levant in the Middle East as well as in selective countries around the world, Satan and his demons appear to be tapping into a series of triangulations, using the social network, spearfishing tactics, and dog whistling conversion methods. This triangulation starts at the point of 2 billion social media followers, followed by a seven-step breakdown to the mark of the beast. This would be explained in detail in the story should you choose to read it. The end of the world ' s cycle is fast approaching. This has prompted God to send his three “ Top ” angels, Gabriel, Raphael, and Michael, the Archangel, who is leading the team, to earth. They are on an assignment for Him! They would literally and physically destroy and rip apart anything that tries to derail their mission to right the wrong on the earth. Stephan Smith, a morally, insightful man of faith, was touched by the angel Gabriel, and he, along with journalist Christopher Rogers, and detective Danny Stone, forms a team in California to shut down a series of wrongdoing perpetrated by white supremacists in an effort to disrupt Satan ' s major diabolical plot. Thousands of miles away in London, England, Carla Wallace, a lawyer, who is accompanied by her cousin, Sandra Wright, who has the same moral strength and faith, was touched by the angel Raphael, and they, along with Brent Russell, an MI-5 agent, team up to stop a series of events designed to change the world as we know it. Dunstan Archer, who worked as an elderly caretaker in Cleburne County, Alabama, was incarnated as Andrealphus,

one of Lucifer ' s fallen angels. After Lucifer and his selective angels took up residence on the earth, Andrealphus soon realized that he was caught up in the politics and evil conspiracies of the day. Once he realized that he made a mistake, he decided to flee with hopes of getting back into God ' s good graces. He and both of his friends, Dr. Angela Romano and Julian Bates, took an adventurous trip to the Great Angel Falls of South America, Venezuela in order to assist Sam Watson his mentor, who was incarnated by Gabriel. Every effort had to be made to defuse the dark angel ' s plot. Filled with riveting, heart-stopping twists and turns, this tale is an eye-opener and a page-turner!

Tobias thought sequestering himself alone on a mountaintop would protect his ravaged heart, but even he can't deny the passion of an unearthly love. Tobias had gotten so used to living in perfect-if lonely-solitude that nothing outside an act of god could have driven him back out into the world. After a childhood filled with monstrous cruelty in the guise of piousness and the swift, brutal loss of his truest love, he dragged his bruised and beaten heart off into the wilderness. He thought that he was finding safety in isolation, but love has a way of sneaking past even the most well-guarded fortress. Enter Azrael. The naked and unconscious man Tobias finds in the surrounding woods is more than mysterious with fallen angel looks that are more than just coincidence. Azrael spent centuries on Earth ushering lost souls back through those heavenly gates. His sacrifice takes a toll and he longs to return to the gracious arms of his heavenly brethren. Before he's granted entrance, Azrael is given one final task: save the soul of Tobias, a lost and brokenhearted mortal. As Tobias teaches Azrael the many delights of human appetite, the two men find themselves falling more deeply into each other's hearts. But

will a human existence ever be enough for a fallen angel? Can Tobias accept that even the most scarred and broken heart has hope of healing? The Angel's Fall is a gay romance novel with earthy sex scenes. Traversing both the ecstasy and the agony of love's landscape, two men must confront their own diametrically opposed histories in order to save their future. Perhaps, there could be heaven on earth.

Contract killer Toby O'Dare accepts a seraph's offer to leave his violent existence in order to save lives, and finds himself transported to thirteenth-century England and challenged to defend falsely accused Jewish citizens.

When her best friend is killed in an explosion, leaving Regina da Silva with her friend's young child, she doesn't realize that the child was as much a target as her friend. Brooks Anderson has been sent to find the child and bring it to the US. When circumstances bring them together in Brazil, they find themselves being pursued by a killer as they protect an orphaned baby. As the danger heightens around them, so does the attraction between Regina and Brooks, despite their differences. Regina and Brooks have both been broken by their violent pasts, but while Regina relies on her faith to deal with her past, Brooks has turned away from God. Will their pasts stop them from realizing their true feelings for each other when their pursuer strives to keep them apart forever?

In *Son of the Serpent*, award-winning author Vashti Quiroz-Vega crafts another fascinating glimpse into the dark, compelling world of fallen angels and demons, revealing more about their untold stories. The war in heaven might be over, but the ambitions of the fallen angel Lilith reach far across the roots of history. Will there be a being powerful enough to stop her evil influence before the destruction of mankind? Dracúl knows he is the son of Satan, but the rest of his memory has been taken from him. Alone and frightened, he awakens in a forest, beginning a quest to piece together who he is. The world he encounters is cruel, but he yearns to belong and find companionship. With each step he takes, the puzzle of his missing memory comes together, revealing a truth that is ever more troubling. A truth that will turn his quest for meaning into one fueled by the hot-blooded thirst for revenge. A truth that leads him to Lilith, the most wicked and ruthless of fallen angels and one he soon will have every reason to hate. His quest will consume him, perhaps ruin his life, but somehow Dracúl is determined to find both belonging and vengeance-to be good, in spite of his evil nature. Even with the dark secrets that haunt him every step of the way.
