Church does not call men back to church—it calls the church back to men.

The current preoccupation with the role of women in the church obscures the more serious problem of the perennial absence of men. This provocative book argues that Western churches have become women's clubs, that the emasculation of Christianity is dangerous for the church and society, and that a masculine presence can and must be restored. After documenting the highly feminized state of Western Christianity, Dr. Podles identifies the masculine traits that once characterized the Christian life but are now commonly considered incompatible with it. He contends that though masculinity has been marginalized within Christianity, it

## Read PDF Why Men Going To Church

cannot be expunged from human society. If detached from Christianity, it reappears as a substitute religion, with unwholesome and even horrific consequences. The church, too, is diminished by its emasculation. Dr. Podles concludes by considering how Christianity's virility might be restored. In the otherwise stale and overworked field of gender studies, *The Church Impotent* is the only book to confront the lopsidedly feminine cast of modern Christianity with a profound analysis of its historical and sociological roots.

“ This is the first book I will recommend to those who want to study what the Scriptures teach about the roles of men and women both in marriage and the church. . . I was amazed at how much wisdom is packed into this short book.

## Read PDF Why Men Going To Church

Everything in the book is helpful, but the practical application section alone is worth the price of the book. ”  
—Thomas R. Schreiner, James Buchanan Harrison Professor of New Testament Interpretation, The Southern Baptist Theological Seminary  
A Biblical Primer on Men and Women in the Church  
There is much at stake in God making humanity male and female. Created for one another yet distinct from each other, a man and a woman are not interchangeable—they are designed to function according to a divine fittedness. But when this design is misunderstood, ignored, or abused, there are dire consequences. Men and women—in marriage especially, but in the rest of life as well—complement one another. And this biblical truth has enduring, cosmic significance. From start to finish, the

biblical storyline—and the design of creation itself—depends upon the distinction between male and female. Men and Women in the Church is about the divinely designed complementarity of men and women as it applies to life in general and especially ministry in the church.

"Adam! Where Are You?" addresses the question of why the black church is 75% female and offers ways to bring the black men back to God.

"A powerful work of skillful research and personal insight."--Publishers Weekly Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American

Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement

and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.

Written by a spiritual master this is an important Lent title that examines what it means to celebrate the Eucharist, and in turn reminds us of our capacity for love, hope and faith.

Gone are the days when churches could simply sit on the corner and attract passers-by. But people still long for the peace and confidence faith in God provides; every church has the potential to grow. How? By taking the church to the people, becoming a "Go-To Church" rather than a "Come-

Here Church." Multi-site church strategy may seem new, but it's as old as the 1st Century. Jesus' followers didn't stay in the Upper Room, waiting for nonbelievers to find them. They struck out and went where God led--throughout the world to all people. They created a multi-site church model Using the strategies and guidance of this book, you can customize the mission and ministry of your church to connect with people where they are. You will not only grow your church, but enhance God's Kingdom and accomplish the mission of the Great Commandment.

Jake Colson, an overworked and disillusioned pastor, happens into a stranger who bears an uncanny resemblance (in manner) to the apostle John. A number of encounters

## Read PDF Why Men Going To Church

with John as well as a family crisis lead Jake to a new understanding of what his life should be like: one filled with faith bolstered by a steady, close relationship with the God of the universe. Facing his own disappointment with Christianity, Jake must forsake the habits that have made his faith rote and rediscover the love that captured his heart when he first believed. Compelling and intensely personal, **SO YOU DON'T WANT TO GO TO CHURCH ANYMORE** relates a man's rebirth from performance-based Christianity to a loving friendship with Christ that affects all he does, thinks, and says. As John tells Jake, "There is nothing the Father desires for you more than that you fall squarely in the lap of his love and never move from that place for the rest of your life."

## Read PDF Why Men Going To Church

There are plenty of reasons to criticize, judge, and even walk away from the church. Many of us have been hurt and rejected. We may see church as insular and irrelevant. Despite this, Kevin Makins believes that the church still matters--perhaps more than ever. When Kevin was 23 and didn't know any better, he started a congregation with some friends who were on the edge of faith. Together they hoped to discover if the church was worth fighting for. In this brutally honest account, he shares their story of becoming a community of misfits, outcasts, and oddballs who would learn that, even with all its faults, the church is worth being a part of . . . and must be reclaimed for good. If you've been burned or burned out by the church, if you've been silenced

## Read PDF Why Men Going To Church

or misunderstood, if you've left or never even joined in the first place, this candid, hopeful book is your invitation to consider what you miss out on when you give up on church--and what the church misses out on when it gives up on you.
