A solid vocabulary is crucial for testing, writing, and the precise communication required by daily life. Using a contextual approach, Wordly Wise 3000 students are taught to say unfamiliar words and identify any possible similarities to other words, use the word in context, break the word down into parts, and finally look it up. Three thousand carefully selected words taken from literature, textbooks, and SAT-prep books form the backbone of this vocabulary series. Each lesson begins with a Word List that includes pronunciations, parts of speech, and concise definitions, and uses each word in an interesting, contextual, sentence. Wordly Wise 3000, Book 7 is made up of 20 lessons with 15 words in each lesson. In Book 7, vocabulary instruction focuses on preparing students with strategies to unlock the meaning of words they will encounter in content area texts, literature, and high-stakes tests. Comprehension of the vocabulary words is facilitated and reinforced through Greek and Latin word studies with an emphasis on prefixes, suffixes, parts of speech, synonyms, antonyms, and analogies. This third edition features the same word lists as the second edition, however, the passages and questions that follow the passages have been updated and assigned measures from The Lexia Framework for Reading. Daughter of Destiny, the autobiography of Benazir Bhutto, is a historical document of uncommon passion and courage, the dramatic story of a brilliant, beautiful woman whose life was, up to her tragic assassination in 2007, inexorably tied to her nation's tumultuous history. Bhutto writes of growing up in a family of legendary wealth and near-mythic status, a family whose rich heritage survives in tales still passed from generation to generation. She describes her journey from this protected world onto the volatile stage of international politics through her education at Radcliffe and Oxford, the sudden coup that plunged her family into a prolonged nightmare of threats and torture, her father's assassination by General Zia ul-Haq in 1979, and her grueling experience as a political prisoner in solitary confinement. With candor and courage, Benazir Bhutto recounts her triumphant political rise from her return to Pakistan from exile in 1986 through the extraordinary events of 1988: the mysterious death of Zia; her party's long struggle to ensure free elections; and finally, the stunning mandate that propelled her overnight into the ranks of the world's most powerful, influential leaders.
