Anabasis is the most famous book of the Ancient Greek professional soldier and writer Xenophon. The seven books making up the Anabasis were composed circa 370 BC. Though as an Ancient Greek vocabulary word, <span></span> means "embarkation", "ascent" or "mounting up", the title Anabasis is rendered in translation as The March Up Country or as The March of the Ten Thousand. The narration of the journey is Xenophon's best known work, and "one of the great adventures in human history".

Xenophon, Anabasis, Book 1, chapter 2. 2. When he thought the time had come to begin his upward 1 march, the pretext he offered was that he wished to drive the Pisidians out of his land entirely, and it was avowedly against them that he set about collecting both his barbarian and his Greek troops. At that time he also sent word to Clearchus to come to him with the entire army which he had, and to Aristippus to effect a reconciliation with his adversaries at home and send him the army which ...

<b>Xenophon, Anabasis, Book 1, chapter 2</b>
There was a man in the army named Xenophon, an Athenian, who was neither general nor captain nor private, but had accompanied the expedition because Proxenus, an old friend of his, had sent him at his home an invitation to go with him; Proxenus had also promised him that, if he would go, he would make him a friend of Cyrus, whom he himself regarded, so he said, as worth more to him than was his native state.
